Commissioner for Patents

1. The timely submission under 37 CFR 1.129(a) filed on April 4, 2004 is not fully responsive to the prior Office action because the election did not include a listing of the claims readable on the elected species. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
